

ALive 2019

Early Arrival Information

Check-in at ***The Vision*** begins at 3:00 pm on Saturday, May 25 which is when our rental of the camp begins.

However, we recognize that based on travel planning, you may arrive at ***The Vision*** early. While we cannot guarantee accommodation availability before 3PM, we'll make every attempt to work with the Vision staff on an "availability basis."

Please email info@alivealabama.com and communicate the number of adults and children that will be arriving early:

1. If you are arriving early Saturday AM
2. If you are planning to arrive on Friday and would like to stay on site.

Again, we cannot guarantee early arrival accommodations – but the Vision Center is willing to work with us if facilities are not in use by another group prior to our event.
